

## Abandoned Oil Well Confirmation Process

1. Search the subject property using the AER Abandoned Well Viewer at:  
<https://extmapviewer.aer.ca/AERAbandonedWells/Index.html>

Does the AER Abandoned Well Viewer identify any abandoned wells in the subject area?

No

If no, print a map of the subject area from the Abandoned Well Viewer and submit with the subdivision application.

Yes

If yes, complete the remainder of the Abandoned Oil Well Confirmation Process.

2. Using the AER Abandoned Well Viewer, identify the Licensee Name of the abandoned well. The Licensee must be contacted to confirm the exact well location.
3. Locate the Licensee contact information on the AER website at:  
[http://www.aer.ca/data/codes/LicenseeAgent\\_Codes.xlsx](http://www.aer.ca/data/codes/LicenseeAgent_Codes.xlsx)
4. Submit the **Abandoned Oil Well Confirmation Form** to the Licensee and request that they return the completed form prior to submitting the completed subdivision application.
5. Submit the completed **Abandoned Oil Well Confirmation Form** as a part the subdivision application.

Note: The sketch of the proposed development must include the abandoned oil well and identify necessary setbacks. If the development will result in construction activity within the setback area, a statement confirming that the abandoned wells will be temporarily marked with on-site identification during construction must be included with the subdivision application.
