Black	At the Chamber of Commerce meeting, we were told that the County of GP has created an Economic Development Officer position and that perhaps the Town should look into getting one as well for future Town planning.	For information
Cooke	Heritage Clash is October 4th. Tickets are free and available at the office. Tickets are required so they can keep track of numbers to ensure they have enough food.	For information
Siggelkow	Can something be done about the pile of cement that is on 95 <sup>th</sup> Ave?  Can we look into getting Hwy signs to show what amenities our community has. These would be for things like the Spray Park, Skate Park and Library. Blackfalds would be a good town to contact as they have them.  Could we look into the cost of getting our own small paver to pave our walking trails?	Admin will look into this.  Admin will follow up and see what steps need to happen to have these put in.  Suggestion is to talk to smaller towns at AUMA conference
